

# UNLEY HIGH SCHOOL

*The Utmost for the Highest*

## NEWSLETTER 8

December 2017

### From the Principal

Dear Parents and Caregivers

2017 has been an exciting and full year for the Unley High School community. The activity continued right up to and including the last week of term 4. In these final days we saw the excellent Year 8 Showcases and Year 9 Presentations, as well as celebrating Gold medal success in both the Australian Basketball and Volleyball championships. In week 9 we also saw the initial concept development for the Building Better Schools program. This program will deliver significant improvements to learning spaces and service facilities at the school.

This newsletter covers a range of achievements recognised in the recent Year 8 to 11 Awards Ceremony, where students who met personal goals in their subjects and in their community activities were acknowledged. It also covers involvement in the Link program, Art, Languages, English, Music, Sport and Community Engagement. Thank you to

everyone who has contributed to these successes, and congratulations to all students and staff whose work has been recognised publically. This includes teachers Steve Bettess, Debra Holden, Robert Zunic and Richard Whaites who were all nominated for the Nova 919 and Bendigo Bank Teacher of the Year Award.

I would like to acknowledge our 2017 Governing Councillors for their guidance and commitment. Chair Tim Hercus is one of a number of parents whose youngest child is completing their time at our school. I encourage and invite all families to maintain their contact with the Unley family, and thank you for the part you have played in school life. We have strong enrolment numbers in each year level for 2018, along with a large intake of Year 8s. The school looks forward to welcoming many new families next year, while encouraging our graduates to keep connected. One such recent old scholar is Isaac Thiele-Swift who is to be congratulated for winning the first year Philosophy prize at the University of Adelaide.

As with each year, a group of staff are moving on, most to retirement: Business Manager Betty Smith, Canteen Manager Elaine Bunting, Teachers Helen Jones, Sue Good, Trish Colman, Jess Williams and Lyn Roberts. Assistant Principal Richard Whaites is also retiring. During his 17 years at Unley High School, his many contributions included the Trade Skills Centre development. Their experience and commitment to the education and wellbeing of Unley High School students is acknowledged. Best wishes for the future. We have appointed outstanding teachers to vacancies, and we are very pleased to welcome David Messer, Emmett Wood, Andrew Michelmore, Andrew Buchiw and Tom Keough to our permanent staff from the start of 2018.

The STEM Works project will begin in January with builders MYKRA. These plans have necessitated relocating classes, the Learning Centre and the Gallery space, and developing a rota for Laboratories. This has progressed very smoothly, and all students and staff are appropriately housed for the 12 months of the build. During Term 4 leaders undertook a review of morning Home Group, and mobile phone use, and an analysis of data including Opinion surveys, grade and NAPLAN data, attendance and completion data. This work guides site planning for 2018, focussing on learning experiences that are rigorous, engaging and supportive of student growth. It is a pleasure to be part of such a school community, and I wish everyone a safe and happy holiday season, and look forward to working with you in 2018. **Brenda Harris Principal**

## English News

### UN Youth Voice

UN Voice is a unique public speaking competition, organised by UN Youth Australia, which gives students the opportunity to really consider issues affecting the community, the nation and the world. On 17 October, Unley High School sent seven students from years 9 and 10 to compete; Deanna Athanasos, Marisa Djukanovic, Steph Madigan, Abby McCormick, Sofia Sampson, Sonica Semwal and Henry Thiele-Swift.

The task was to prepare a 5 minute speech pitching a solution for a current issue. Our students tackled problems related to educating girls across the globe, decreasing the impact of illicit drugs and improving opportunities for Aboriginal and Torres Strait Islander youth. We witnessed some really eye-opening research on these issues and incredibly innovative solutions for tackling the problems, along with great charisma when delivering proposals. A “hybrid economy” to be more inclusive of indigenous Australian culture, a virtual reality classroom, reconsideration of Australian laws and hopes for global charity were just some of the fantastic solutions put forward by our students.

Marisa, Steph and Sonica all made it through to the state finals, which took place on 26 October. With just one week to prepare their next speeches, these girls did not disappoint. Once again, our students developed creative solutions for improving the effectiveness of charities, responding to climate change and re-imagining the way Australian History is taught. It was a great excuse to practice divergent thinking and develop public speaking skills, where Steph Madigan was placed in the top three and has been given the opportunity to compete in the national finals in Brisbane next year. It was a fantastic effort by everyone. Congratulations to all who competed.

**Priscilla Stanton, English Teacher.**

### Spring Poetry Launch 2017

This year Unley High School students were successful in having their poems accepted for publication in this year’s Spring Poetry Festival Booklet. On Saturday October 28 their success was celebrated at the official launch. Karnik Wadhawan in Year 8, Kaci Gardiner in Year 9 and Annalise Size, Sabrina Turtur, Natasha Evans and James Palmer in Year 10, were presented with their copy of the booklet making them all officially published poets. Unley was one of only three schools that had so many poems selected for publication, joining Wilderness and St Dominic’s. In addition Aimee Allmand was also given an award for designing the cover of the booklet last year. I was very proud to see the efforts of our Unley students. Their success and the inspiring speeches from the judges will motivate more poetry from our talented students. **Sue Wendt English Coordinator**

Karnik Wadhawan and his parents at the Spring Poetry launch

## Arts News

The Year 11 Drama class performed “Cosi”, by Louis Nowra for their final performance this year. This classic Australian play was performed with energy and humour. The audience enjoyed the hilarious dialogue and the wonderful characters. Highlights of the performance included Zac’s ( Tayla Robinson) piano accordion playing, Cherry’s (Caitlin Rule) total devotion to Lewis (Kathryn McCloy), Roy’s ( Ishana Somers and Ren Hallett- Patterson) enthusiasm, and Doug’s (Jonathan Antonis) burning cat story. Congratulations to all of the performers for a great night’s entertainment.

**Melissa Geddie, Drama Teacher**

*Ren Hallett-Paterson & Caitlin Rule performing in ‘Cosi’*

*Tayla Robinson & Caitlin Rule performing in ‘Cosi’*

The Year 12 Art and Design exhibition was held on November 30 at 6pm. Parents, students and staff attended to celebrate the work of the year 12 Art and Design class of 2017.

Ruth Flaherty, Flinders University Visual Art academic, opened the exhibition. Ruth was particularly impressed with the calibre of work created this year and encouraged people to read the practitioner's statements to get a good understanding of the designer's intent and process. Student speakers also spoke about their year, the trials and ups and downs. Vouchers supplied by Premier Art Supplies and Art to Art were given to 4 students who demonstrated outstanding practical and technical ability and presentation of work.

**Rheanna Dougherty Design Teacher**

## Link News

The Link Program is sadly farewelling three remarkable, young men; Liam Goldfinch, Callum McBrearty and Charlie Rowland, they have completed their schooling at Unley High School with the support of the Link Program. These young men have demonstrated remarkable resilience and determination in their school and personal lives, overcoming not just the usual academic challenges but also the significant health and physical challenges which face them everyday. These students have been excellent mentors to the younger students both academically and socially, providing friendship, guidance and assistance with technology and all aspects of school life. Although we are all sorry to see them leave school we know the next stage of their journey will be fruitful and rewarding and we say goodbye knowing we have prepared each of them for what lies ahead. Goodbye and all the best.

Congratulations to Sophie Pontifex who swam in the 2017 Australian Age Swimming Championships which were held last week at the Marion Swim Centre. Sophie swam in both the heats and finals of the Girls 11–14 year old 50m Freestyle multi-class race and achieved a personal best in both races. Well done Sophie, great achievement.

Katrine Hildyard, SA Minister for Disabilities, presented Amanda Chinner, a Year 10 Link Student, with the Minister's Community Achievement Award at a cocktail party on Wednesday 22nd November. Katrine described Amanda as extraordinarily talented and inspiring when presenting Amanda her award for her achievements in karate. Amanda has been practising karate for the past 12 months and it has contributed greatly to her physical skills, her self-confidence and her mental health.

Congratulations Amanda.

**Lyn Rogers, Link Teacher (Retired)**

Unley High School wishes Lyn all the best in her retirement. She has managed Unley High School's Link program since 2009 and we thank her for her work and student centred approach.

**Brenda Harris, Principal**

## Music News

### Piano Students Shine

Our twice-yearly piano concert was held in the Performing Arts Centre on Wednesday 29 November, hosted by our piano teacher Kat Mustanow and with twenty-one pianist performers. Students Parvaneh Pakizeh (2<sup>nd</sup> grade, Honours), Afsaneh Pakizeh (2<sup>nd</sup> grade, Honour), Caroline Soe (2<sup>nd</sup> grade, High Distinction), and Andre Broniecki (5<sup>th</sup> Grade, Honours) all received their certificates for AMEB exams at the event. The quality of performances was exceptional throughout the evening, with a wide variety of repertoire on show. Lessons in our private piano, electric guitar, and bass lesson programmes are available in 2018, please contact music staff Chris Martin or Carol Hollis for further details.

### Twilight Concert Rocks the Performing Arts Centre

Year 8 and 9 students and special guests presented a night of music at our annual 'Twilight Concert' on 23 November. The threat of storms drove us into the Performing Arts Centre, and well over 100 parents and students piled into the drama rooms to hear a wide variety of acts. It was wonderful to hear the progress these students have made throughout the semester, with tight performances from all groups. Special guests Ashton Anderson (year 10) and Jackson Phillips (year 11) also presented their original music. We look forward to seeing you at our next major concert, the 'Autumn Concert', planned for Term 2 2018 in the George Cresswell Hall.

### Year 10's Present Annual Cabaret

On Friday 1 December our Year 10 Music class presented the annual 'Cabaret' concert in the George Cresswell Hall. Under the theme of "Welcome to the 80s", and colours of pink, black and white, students combined elements of a quiz night and a music concert to entertain a large group of parents, teachers and students for the evening. The quiz was hotly contested, with only one point separating first and second place. The Year 10's worked in four teams to organize the concert, focusing on Production, Venue, Technical, and Publicity. Two generous sponsors from Mitcham shopping centre supported the event, Ambra Café (owned by parents of one of our Year 10's) and Banana Boys – why not thank these sponsors with your support over the Christmas break!

Chris Martin Arts Coordinator

## Mural Opening

2017 marked the 50th anniversary of the 1967 Referendum and 25th anniversary of the Mabo decision. Unley High School entered into a Reconciliation Action Plan this year. Part of this was to create a mural. Carly Dodd, Unley old scholar and indigenous artist, designed the mural and MrD's year 10 art class painted it under Carly's guidance. She attended each double lesson over three weeks. Niina Marni means, "are you good" or "welcome". The Kaurna shield is on the right next to kangaroo and emu tracks native to the Adelaide plains. Special thanks to Dona Betterman's (ASETO) husband Gary who volunteered to hang the mural. It is located on the wall as you leave reception to the staff carpark and is very hard to miss. It is also, what is now seen when you enter student services.

**Jim De Gregorio, Aboriginal Education Teacher**

## Intensive Secondary English Student Surf Excursion

On 1 December the ISEC (Intensive Secondary English Course) class visited Southport beach at Port Noarlunga to learn about beach and surf safety. Despite the grim forecast with thunderstorms and lightning, the weather was perfect with no rain at all. The students had a great time learning to boogie board for the very first time.

**Maria Kvopka** ISEC teacher

*On Friday 1 December we went to Port Noarlunga. My classmates and I came here to surf. Although that day the weather was not perfect, I still enjoyed that day. I admired the alignment of the sky with the water. I observed the footprints of people and dogs on the beach. I felt calm looking at the sea, the sky, the world. **Jiayi SONG***

*We went to surf last week. Everything was interesting just the weather was a little bit cold but the waves on the edge of the beach were large and suitable for surfing. Luckily we had wetsuits to wear. This was my first time to surf and use a surfboard. Even though I was hit by the surfboard in the surf and it was painful, it was still a happy experience. **Qingyang XIONG***

*On Friday 1 December we went to Port Noarlunga. That day was a wonderful day. All of us wore wet suits. That made us warm when we touched the cold water. Everyone had a boogie board. We also had two teachers to teach us how to surf and stay safe in the water. They were very kind and helpful. We had much fun. That was my first time to surf in the beach. I was very excited. At noon, we went to a fast food restaurant. I enjoyed the food.*

**Siqi JIANG**

## LOTE News

### Year 8 Italian success in Italian language competition in SA

I am very proud and pleased to announce that this term our Italian Year 8 class (204) participated in a competition run by The Dante Alighieri Association and SAATI where they placed second. This was during “La Settimana della Cucina Italiana”, a week celebrating and raising awareness of Italian cuisine and culture around the world.

As such, students investigated and explored the concept of Italian food, including the impact of Italian food world-wide. Their findings were then presented in two forms: video and written menus. For the video, the students wrote their own script, recorded and edited it using The Green App to edit with music and images. Two menus were presented, one depicting authentic Italian dishes - “Made in Italy” - and a second “Sounds Italian” menu with dishes that are thought to be Italian but are not. As the selected class representative, Judd Woolman, along with his parents and class teacher, was awarded on November 22 by the Italian Consul for SA, Roberta Ronzitti, during the festivities for the “Week of the Italian Cuisine” at the Marche Community Club. The prize consisted of a certificate and a \$150 voucher to be spent in a selected Italian food shop. This voucher provided the opportunity to celebrate the end of the year tasting and experiencing the authentic Italian food (and culture) explored during the last term.

**Silvia De Cesare, Language Teacher**

### Year 9 Community Care Projects

Home Group 9408 has been fundraising for a wheelchair-friendly outdoor table. This table would allow our wheelchair-bound Link students to have a place to sit outside with their peers. We felt this was appropriate because some areas for student congregation are difficult to access in a wheelchair. First, our class surveyed the Link students for their preferred table model and sought permission from the facilities committee. We chose a conveniently located site for the table directly outside the Link room door. Our home group teacher organised a lamington sale for Multicultural Food Day to raise money and students took turns running the stall. Once the pavers are delivered, the table will be transported to the site and we will work together to build the

foundation. We hope that this project will contribute to the inclusivity of wheelchair-bound students at recess and lunch.

**Sally Clarke, Home Group 9408 Teacher**

Home Group 9407 chose to raise money for Novita as their community care project this year. Novita assists our Link students at Unley High School. The main fundraiser was held in July where money was raised by shaving off Mr Polmear’s beard. This proved to be very successful. Our second fundraiser was held in September and involved a Students vs Teachers basketball game held during one lunchtime at school. Over these two events, our class managed to raise over \$1600 for Novita.

**Claire Wilson, Home Group 9407 Teacher**

## Year 8 - 11 Awards Assembly

Congratulations to the following students for gaining awards at the Years 8 - 11 Award ceremony held on Friday 24 November 2017.

The following students received Academic Excellence Awards for receiving all A's in their school reports for 2017.

Emily Chambers	9512
Kylie Ho	9512
Caleb Mulholland	9512
Natasha Evans	10240
Thomas Oates	11712
Abida Bhuiyan	11815

The following students were awarded Outstanding Student for their year level for their academic commitment along with services to school.

Year 8	Tilly Midwinter
Year 9	Caleb Mulholland
Year 10	Dajeong Kim
Year 11	Ming Chih (Jamie) Yu

The Old Scholars Community Award is given to Middle School students who have taken on extra responsibilities at school and in the wider community. This year's recipients were;

Maddison Newland	8410
Marisa Djukanovic	9408

The ADF Long Tan award is awarded to the Year 10 student who demonstrates outstanding qualities of leadership and teamwork at school and also in the community. This year's recipient was;

Dajeong Kim	10905
-------------	-------

The BM Jacobs Award is awarded to the Year 11 student who demonstrates outstanding student leadership. This year the award went to;

Ming Chih (Jamie) Yu	11815
----------------------	-------

## Year 8 - 11 Awards Assembly

The Zealand cup is awarded to students from the Middle School who demonstrate outstanding commitment and ability in extra curricular sport. This year the award went to;

Alex Ballard	9408
Mitch O'Hara	9512

## Blue Sky School Nepal

Unley High School has had an association with Blue Sky School in Kathmandu, Nepal for over eight years. This year we were fortunate to be visited by their Principal, Mr Prem Oli. Mr Oli was a distinguished guest at our Year 8 - 11 Awards assembly and during the assembly, Mr Charlie Marino and students from the Blue Sky committee were able to present him with a cheque for over \$2000 along with a donation of science equipment for use at his school. These donations were particularly well received as Blue Sky School was completely destroyed by the earthquake in Nepal in 2016. It was a great honour for the students and staff in the Blue Sky committee to meet the Principal of the school that has been the subject of their fundraising efforts.

## 2018 Student Voice Prefects

Elections were recently held for Head Prefect and Office Holders positions in Student Voice for 2018. Congratulations to the following students;

Coral Bryce	Head Prefect
Alistair Rowe	Head Prefect
Lamisha Ahnaf	Deputy Head Prefect
Jamie Yu	Deputy Head Prefect
Hannah Armour	Secretary
Jordan Lai	Treasurer

## Volleyball and Basketball Tournaments

### AUSTRALIAN VOLLEYBALL SCHOOLS CUP 2017

On Sunday 3 December, 18 students in 2 teams, travelled to Melbourne to play in the week long Australian Volleyball Schools Cup. Our teams competed in the Year 12 Division 2 Boys, and Year 11 Division 3 Boys competitions. They were expertly coached by old scholars, Cameron Hedger and Arno Norrito, and supervised by Ms Stock, Mr. Bettess and Mr Syme.

The Year 11 team, consisted of captain Damon Evans, Jordan Lai, Lakshay Rattan, Max Haby, Billy Fragos, Ryan Singleton (Year 10), Georgia Sandford, Maggie Gardner, Tayla Robinson and Zoe Andrews.

They formed a mixed team enabling them all to play, and perform very well (against all male opposition) throughout the week. In a division containing 13 schools, they won 4 games and lost 5, and finished in 10th place overall.

The Year 12 boys, won a Silver Medal in Division 3 last year, and decided to move up to Division 2 this year. This proved to be a great decision. Eleven teams competed in the division, they won 6 games only losing once to Westminster. This was quickly avenged with a tightly fought 2 set to 1 win against Westminster in the Gold Medal playoff; 11-25; 25-22; 15-12: a brilliant performance. This was a fitting result for a group of hardworking, dedicated students who have played and trained together for 5 years, and finally reached their ultimate goal. Congratulations go to - Oscar Armstrong, Cameron Hedger(coach), Rhys Clarke, Daniel McAinsh, Jamie Clarke(Year 11), Ms.Stock (team manager), Tai Duong(captain), Jerome Tay (Year 11), Zac Strathearn and Josh Chesser.

### Phil Syme, Health & PE Teacher

### AUSTRALIAN SCHOOLS BASKETBALL CHAMPIONSHIPS

In week 8, a group of senior boys participated in the Australian Schools Basketball Championships in Melbourne, the 15<sup>th</sup> year of participation for Unley High School. Our team was led by basketball trip stalwarts Henry Goodfellow and Jordie Wittervan and coached by Sports Coordinator, Tim Shortt. The boys went through the minor round games of the Senior Division 3 competition with only one loss. Josh Thomas and Josh Cranna set the pace on the scoreboard which set up a semi-final with sports specialist school Erindale College from Canberra. The team stayed focused despite a tournament ending injury to Henry, getting contributions across the board. In particular, Tom Lanthois and Zak Kromer stepped up their play to lead the team to the gold medal match against Willetton High School (a basketball specialist school from Perth).

A tense game went back and forth, with neither team able to hold a lead of more than 6 points. Newcomer Jack Scott saved his best games for the final rounds, leading the team in scoring in both games. The 4<sup>th</sup> quarter saw several lead changes and eventually Mitch Houston scored a barrage of 3 pointers to put Unley home (53-50) in the dying moments. This victory in the gold medal game certainly was a fantastic way to end a memorable week. Thanks to teachers, Martin Ellis and Sara Chapple for their tireless efforts throughout the tournament, allowing the focus to remain on the basketball. For the players this was an incredible week with friendships and memories made for life.

**Tim Shortt, Sports Coordinator**

## Uniform Management Services Holiday Opening Hours

The Unley High School Uniform Shop is open every Tuesday from 8:00am to 2:00pm during Terms.  
Uniform Management Services shop is open Mon - Fri 9:00am to 5:00pm and 9:00 - 11:00am on the first Saturday of each month at  
Unit 1/6 Montrose Avenue  
Norwood SA 5067  
Ph: 8363 5255  
This store will be closed from 14 December 2017 and will re-open 2 January 2018

**Extended Back to School Trading Hours**  
**Monday 22 January and Tuesday 23 January 9:00am - 3:00pm**  
**at Unley High School shop**  
**Also**  
**Norwood store will be open until 12:00 noon**  
**every Saturday in January**

Internet Shopping is available at:

## Year 12 (2017) Students.

We are inviting Year 12 students, who are not involved in the B Part of It study, to have a throat swab taken, complete a consent form and a questionnaire in 2018. Students who wish to participate can visit the B Part of It stands at Orientation week ('O' Week – week of 19 February 2018) located at the main campuses of the University of Adelaide, Flinders University, and the University of South Australia.

Students will be reimbursed with a \$40.00 Coles Myer Voucher for their time and travel costs.

Students who are already participating in the B Part of It Study will receive a letter in the next few weeks which will provide further information about their involvement in the study, including catch-up locations for vaccinations.

Further details regarding where and how Year 12 students can be involved in the study will be available on the B Part of It website: <https://www.bpartofit.com.au/>

## Materials and Services Charges for 2018

Last month the Unley High School community voted on the amount of \$695 (plus any subject fees) to be the prescribed fee for Materials and Services for students in Years 8-12 for 2018.

The results of the polling were 84% in favour and 16% against. Therefore the prescribed sum of \$695 (plus subject charges) is carried and becomes the legally recoverable amount.

**Ibi Kanellos Business Manager**

# Thank You!

A very big thankyou to our wonderful volunteers for helping us out over the past year. We really appreciate you giving up your time . Wishing you and your families a happy and safe Christmas and New year and we look forward to seeing you in 2018. Teng Chua , Jan Hardwick, Lorraine Brennan, Natalie Brittain, Zuzanna Synusas, Kerry Sinderberry, Sarah Thomas, Hasmik Annassian, Deb Heydon, Leanne Hough. Regards Helen, Elaine and Liz

We also thank canteen stalwart - Elaine Bunting who retired from the canteen in December this year. Many thanks for your years of excellent service to the Unley High School community.
