

### From the Principal

Dear Parents and Caregivers

Term 1 at Unley High School is always packed with diverse activities. This newsletter shares its flavour - and I hope you enjoy it. After a term of work in Years 8 to 12 subjects, written reports went home with students on the last day. Overall, Year 12 reports show students are working with purpose in class and during out of class time. Organisation, good study habits and time management are vital to keep pace.

Parent Teacher Interviews are scheduled for Thursday 10 May. Teachers look forward to meeting with parents and students on that day. A letter included with the Report outlines the booking process. While interviews provide one way to reaffirm the essential partnership between home and school, we encourage parents from all year levels to contact us to share information and talk through any matters as they arise.

Community involvement, both local and global, continues to be important for UHS. After promoting and recognising Harmony Day, Student Voice ran a Pink Ribbon Foundation fundraiser. The pink tinged casual day initiative garnered over \$700. Well done also to our student tour guides who contributed their time to the huge response to the latest Principal's tour or spoke at the Special Interest Program Information session. These students are great role models. As a school we recently celebrated cultural learning and internationalism through involvement with the French Film Festival and Greek Independence Day. In late July, the annual Kyoto Study Tour students arrive. This is another inter-cultural highlight. Thank you to Unley High School families who have already offered to host a student. Opportunities to be a home-stay family still exist.

This newsletter acknowledges national and local sporting success, the progress of the 2018 Musical and the celebration of 40 years of Rowing at the school. The related article topically charts the moves toward gender equality in this sport. Our student rowers recently showcased their resilience and skill at the Head of the River Regatta. Congratulations go to all crews and coaches. Thank you to parents and supporters for the outstanding back up shown to all the rowers.

Next term, Year 9 students undertake NAPLAN tests. The resulting information provides teachers with useful data for each student about their reading, writing, spelling, grammar and numeracy. We use this along with PAT R/M data and subject grades to form a comprehensive picture of individual progress and to highlight areas for growth.

Staff will use the Pupil Free Day on Friday 8 June to undertake important training. Through Collaborative Moderation, teachers work with colleagues from nearby schools to share tasks, and check for consistency of assessment against the Australian Curriculum standards. On the following Tuesday, (Monday is a Public Holiday) teaching staff will continue professional learning in a number of areas. This provides a long weekend break in the winter term for students and their families.

With the installation of the new facade on Kitchener Street, STEM Works progresses well. On other technology related news, please note the iPad parent workshops advertised in these pages, and the positive outcomes of the Term 1 mobile phone trial will see this process extended into the regular workings of the school.

We look forward to welcoming students on Monday 30 April to begin Term 2, and wish all a safe holiday.

**Brenda Harris, Principal**

Parent Teacher Interviews will be held on Thursday 10 May.

You will receive a letter with your students Term 1 Report on Friday 13 April outlining the details of how to book appointments with your student's teachers. Individual parent/caregiver log in details will also be emailed on the last day of term. The Parent Teacher Online (PTO) portal will be open on Monday 16 April.

Students do not attend school on Parent Teacher Interview days but are strongly encouraged to attend the interviews with their parent/caregivers.

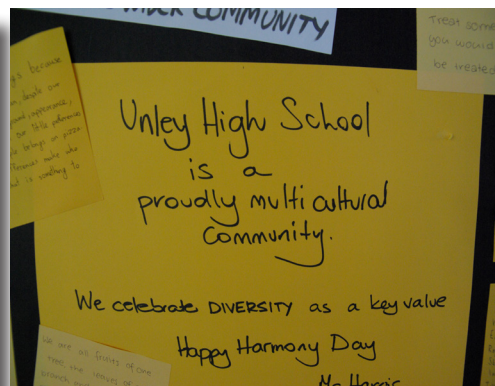

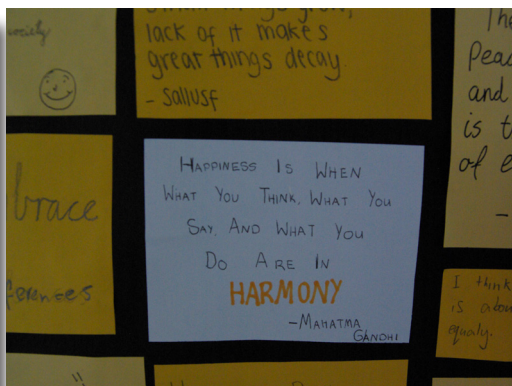

## Harmony Day 2018

On March 21, the Student Voice Prefects organised for a display to celebrate Harmony Day. Harmony Day is a day that celebrates Australia's cultural diversity. It celebrates inclusiveness, respect and a sense of belonging for everyone.

To acknowledge this day, posters and stickers were displayed around the school, especially the rose garden. In conjunction with this, each Home Group were sent pieces of orange card and were encouraged to write Harmony Day messages. The Prefects then collected these cards. They were then collated onto a large poster, which was displayed on the glass wall of the library, for all students to see.

### Alistair Rowe - Head Prefect

## LOTE News

Hello, my name is Laurie Massit and I am the French assistant for the French Immersion and French Bilingual/Binational programs in Unley High School this school year. I grew up in a suburb of Paris called Rueil-Malmaison and also lived in Paris during my university studies. I taught French as a French assistant in primary schools in Scotland and Germany. I have taught adults in Sri Lanka as well. I decided to become a French assistant at Unley High School because all my experiences abroad have been very enriching professionally and personally, and also because I wanted a teaching experience in a high school. I find this role of a language assistant interesting because students can speak to a native French speaker and hear the French accent. Being a French assistant also allows me to learn a lot about Australia and the way Australians live. I would like to travel to Melbourne and Sydney, but also to Tasmania and Uluru to learn about aboriginal culture. I'm happy to be here and I'm enjoying my stay in Australia.

*Bonjour, je m'appelle Laurie Massit et je suis pendant cette année scolaire assistante de français à Unley High School. J'ai grandi dans la banlieue de Paris, à Rueil-Malmaison, j'ai également habité à Paris pour mes études. J'ai enseigné le français comme assistante de français en Ecosse et en Allemagne dans des écoles primaires. J'ai aussi enseigné quelques mois au Sri Lanka à des adultes. J'ai eu envie de devenir assistante de français à Unley High School parce que toutes mes expériences d'enseignement à l'étranger ont été très enrichissantes au niveau professionnel ainsi que personnel et parce que j'avais envie d'avoir une expérience d'enseignement en lycée. Je trouve le rôle d'assistante de français intéressant parce cela permet aux élèves de parler avec une personne native et d'entendre l'accent français. Etre assistante de français est aussi une bonne opportunité pour moi de découvrir l'Australie et la manière dont les Australiens vivent. J'aimerais voyager à Melbourne et Sydney, mais aussi peut être en Tasmanie et à Uluru afin d'apprendre sur la culture aborigène. Je suis heureuse d'être là et mon séjour est très intéressant*

## Greek Independence Day Celebrations

To commemorate Greek Independence Day, students from various year levels spent several weeks learning a traditional Greek dance called the Pentozali. The dance was then performed at a celebration held at school. The celebration also shared a variety of Greek sweets and food to showcase parts of the Greek culture. Students that performed were from various cultural backgrounds, which gave everyone the opportunity to experience Greek traditions.

Anastasia Pericleous & Jonathan Antonis - Year 12 Students

## LINK News

On Friday 9 March Unley High School held their annual Sports Day. Two of our students from the Link Program, Jay and Ethan enjoyed the day, despite it being very warm. Both Ethan and Jay got involved cheering for their teams in the track and field and novelty events. Ethan was especially vocal calling out “Go Kitchener” while he supported some of the Year 10 boys involved in the tug of war and running events. Despite Ethan’s fantastic encouragement of his teammates, it was Mills – Jay’s team - who ended up winning overall on the day.

# UNLEY HIGH SCHOOL

## Summer Rowing Camp

This year's Summer Rowing Camp was again held at Walker Flat from 21 - 25 January. This valuable event in the rowing calendar provided current club members with an opportunity to work on technique and improve endurance. But more importantly, the club welcomed thirty-six new Year 8 recruits to the sport of rowing. Each day consisted of five sessions incorporating on-water rowing, fitness activities such as running, ergos and flexibility and ironman/ironwoman events. Congratulations to the 2018 Year level winners of the ironman/ironwoman challenges:

Year 8 – Karl Ellis and Laila Dinan

Year 9 – Ethan Charters / Isaac Graziano and Scarlett Williams

Year 10 – Oskar Milsom and Beccy Ford

Senior – Mitchell Reinhard and Annie Size

The Year 8s found the camp hard work as they had never participated in so many rigorous rowing-related activities in such a short time. The benefit of receiving helpful advice from coaches in a dinghy alongside their boats was invaluable, as was the opportunity to meet and row alongside all rowing club members prior to starting at High School. As always, the food was a highlight of camp. Nutritious and delicious food followed every rowing session, with platters of fresh fruit, butter chicken, beef roast and sticky date pudding everybody's favourites.

On the final morning of camp, most rowers participated in the traditional club row. This is a race of approximately 2.5 kilometres with each crew handicapped according to their year level. The race finish, where all crews cross the line within a couple of lengths of each other was a unifying end to camp.

This year's Summer Rowing Camp was highly valuable for all rowers. Everybody returned home slightly sleep-deprived and nursing blisters but with a lot more rowing knowledge. Every rower eagerly awaited the Head of the River regatta on Saturday, March 17 at West Lakes. All crews were hoping for season-best performances.

## Emily Chambers - Junior Rowing Captain

## Head of the River and Presentation Dinner

On Saturday March 25, more than one hundred Unley High School rowers competed at the Schools' Head of the River. The school community came out in force to support the athletes. A rowing parent, Oscar Asbanu, added to the atmosphere by entertaining with didgeridoo and drum beats as each boat entered the water. Unley High School boated twenty-one crews on the day, the second largest number of entries from a single school. Of those crews, eleven finished in the top four while the Year 8 Boys F crew (Diego Tovar Gallo, Cameron Gray, Dylan Riddell, Finn Graziano, Lachie Ling – cox) secured a win in their division of racing. Other significant results included second placings for the Schoolgirl 1st IV who were looking to make it three in a row and the Schoolboy Year 10 B Quad Scull who came up just short to a strong finishing St Peter's College crew. In addition, the Schoolboy 1st VIII rowed superbly in tough cross head wind conditions to finish third behind St Peter's College and Pembroke School. This crew finished ahead of traditional powerhouses Prince Alfred College and Scotch College to record the best Unley result in a 1st VIII race in more than a decade. Well done to all crews who competed with great pride on this special day.

On the Saturday evening, the UHS rowing community celebrated the rowing season at the annual Presentation Dinner held in the George Cresswell Hall. The squad captains spoke passionately about their squad highlights and notable moments of the year, with all making special mention of the tireless work and support of their coaches and families. The much sought after club awards were presented to the worthy recipients:

Most Valuable Crew Members:

Year 8 – Grace Martyn, Diego Tovar-Gallo

Year 9 – Deni Carruthers, Xavier Schwarzer

Year 10 – Mariane Johnstone, Zach Palamountain

Seniors – Annie Size, James Palmer

Most Dedicated Coxswain - Harry Holmes

Chuan Lai Award For The Most Valuable Club-Person(s) - Jodie and Harrison Brady

Congratulations to everyone involved with the club on another outstanding season. **Anita Hughes - H & PE Coordinator**

## Staff News

Mathematics teacher, David Billett, recently competed in the Canberra 48 hour race. This is an ultra marathon event where runners aim to complete as many laps of a 400 metre track as possible in a 48 hour period. The event is held at the Australian Institute of Sport, Track and Field facility.

Runners can take breaks whenever they wish, however, the clock will continue to tick so it is their own time that they are using.

David completed an impressive 711 laps for a total of just over 284 kilometers in the race and came 5th overall.

The race finished on a Sunday and David was back teaching Maths on the following Monday morning.

An impressive effort indeed.

## Sprint Kayaking National Championships, Penrith, NSW

Between 4-10 March 2018 I was lucky enough to compete at the National Sprint Kayak Championships, held in Penrith, near Sydney. I started kayaking just over two years ago, and am a member of Holdfast Bay Canoe Club where I try and train up to 5 times a week. Every day had an early start of 5am, followed by warm-ups, racing and cool-downs. The week consisted of heats, semi-finals and finals over a range of distances including 200m, 500m, 1000m and 2500m. I raced in a K1 (solo), and K2 and K4, with one and three other paddlers respectively. I made every final in all of my K1 events, but missed out on a medal other than in the 2500m. Overall I came away with a Silver and 2 Bronze medals.

At the end of the week I was told that I had made the State Development Team and the National Talent Squad. I was also lucky enough to be selected to represent Australia in the U16 team in the Asia-Pacific Regatta, to be held at West Lakes in May. After the summer sprint season finishes, the winter season consists of longer distances, and I am planning to compete in the Murray Marathon for the second time, where I will paddle 50km in three days over the June long weekend.

**Andrew Steel - Year 11 Student**

## Australian Rowing Championships

Year 12 student, Mitchell Reinhard competed at the recent Australian Rowing Championships held at the Sydney International Regatta Centre. Mitch undertook a busy program over the course of the week and achieved considerable success:

5th Place as part of the State Crew in the Men's Youth VIII

6th Place in the U19 Single Scull

SILVER in the Open Lightweight Men's VIII with NSW and SA rowers

GOLD in the U19 Double Scull with Angus Dawson from St Peters

GOLD in the Schoolboy Single Scull – this was the only medal won by a South Australian in a school's race at the Championships

Last season, Mitch participated as part of the Australian U21 Rowing team and he will once again attend trials to try and earn a place in another Australian team.

Good luck, Mitch!

## Unley High School Rowing Club 40th Anniversary Dinner

The 2017-2018 rowing season marked the 40th Anniversary of the formation of the Unley High School Rowing Club (UHSRC). To acknowledge this milestone, UHSRC organised a celebratory function in the school's Rose Garden on Saturday February 17th and an 'old-scholar' row at the Torrens on the following morning. The 150 attendees on the evening were treated to finger food and live music, a memorabilia display and some interesting speeches highlighting some of the key moments in the club's history.

Current President, Chris Ford officially opened the evening and outlined how far the club has come; from a couple of boats in a tin shed to some of the club's recent accomplishments.

Anna Tree, (UHS – 1988-1992), whose significant credentials include being part of the winning UHS crew in the inaugural Schoolgirls 1st VIII rowing at Nationals in 1992, medalling at Junior World Championship level and having success as an international rowing coach at the AIS, spoke highly of how the important qualities of camaraderie, inclusivity, commitment, diversity, encouragement, tradition, and leadership were developed through her involvement with rowing at UHS. She acknowledged how these qualities still are integral to her everyday home and work life.

The club founder, Liesl Vanderwerp's address outlined the numerous opportunity and resource discrepancies between male and female sports at the time when she introduced rowing to girls at UHS. At the school level, the budget for girl's sport was significantly less than that for the boys, and there was not even an office space allocated to the Girl's Sport Coordinator. The girls initially raced in Ladies events as there was nothing for schoolgirls. The Head of the River (HOR) was also only for schoolboy crews. It took letters in 1988 from UHS girls to the Equal Opportunities Commissioner at the time, to ensure that for every boy's race held at HOR, there had to be a female equivalent race. This initially saw the introduction of underage schoolgirl races at the HOR, with a schoolgirl 1st VIII race occurring for the first time the following year. Thanks to the interest and dedication of people such as Liesl and our rowing girls of the 1980s, UHS were real trailblazers for schoolgirl rowing here in South Australia.

A group of UHS rowers from the early 1980s spoke about one of their fellow crew members, Chuan Lai, who tragically died in a ferry capsize in Malaysia in 1985. They wanted to make sure current rowers were aware of the significance of The Chuan Lai Shield for the Most Valuable Clubperson. According to Liz Jones, Chuan was an amazing young man and the awarding of the shield each year is to help the next generation of rowers learn the values he so passionately stood for: honour, inclusivity, family, commitment, courage, humour and above all, putting the welfare of others before oneself. Matthew Draper successfully coached UHS crews over a 10-year period in the club's formative years. Since then he has undertaken various administrative roles including High Performance Manager and Director of Development and Events with Rowing Australia, Continental Events Coordinator at FISA, Rowing Technical Advisor for the International University Sports Federation and is currently responsible for the general administration of the High Performance and National Team program and the logistical coordination of the Sport Science and Sport Medicine team for Rowing Canada. While Matthew was unable to attend he sent a letter that was read on the night. He acknowledged that 'being part of something good, is great for the soul' and in his years coaching at UHS, he saw the impact and appreciated the power of sport to change lives. He has promised to attend the 50th anniversary celebration.

The Sunday morning culminated in a 'row' at the Torrens, where past and present rowers came together to share more stories whilst completing several laps of the Torrens at a more leisurely pace than usually undertaken during a training session. Several 'old' rowers had the privilege of also rowing in one of the club's old wooden boats, the Liesl Vanderwerp, which was christened by the club back in the 1980s.

Thank you to all rowers, their families, coaches and school staff who have been involved in and supported the club over the past 40 years.

Courtney Size, Rilla Hernandez and Jodie Brady deserve special acknowledgement for all their hard work in organising this significant event for the UHSRC.

**Anita Hughes - H & PE Coordinator & Rowing Stalwart**

## Sports Day 2018

The Unley High School Sports Day was held in warm conditions on Friday, 10 March. Student participation in track, field and novelty events demonstrated pride, commitment and enjoyment. The cheering from the House tents brought colour, house spirit and a sense of occasion to the event. Participation in the novelty events (obstacle course, 100m ergo challenge, tug-of-war and spoke relay) was most notable as students did their best to amass points for their House. The crowd also enjoyed the impromptu dances and good natured commentary.

The annual 'Unley Sheffield', a handicap race for the winner of each of the girl's and boy's 100m events showcased our school's best sprinters. Congratulations to the 2018 winners, Josh Rogers and Persia Tuckey.

### SPORTS DAY RESULTS

Place	House	Total Points
1	Mills	2304
2	Kitchener	2174
3	Kyre	1905
4	Giles	1686

This is three wins in a row for Mills and is largely due to significant participation across all events.

### RECORDS

Event		Old Record	New Record
Open Boys Javelin	Josh Rogers	42.10m	42.69m
Year 10 Girls Long Jump	Hayley Stevens	4.42m	4.52m
Year 10 Girls High Jump	Hayley Stevens	1.51m	1.52m

### INDIVIDUAL CHAMPIONSHIP WINNERS:

Year Level	Winner	Runner-Up	Third Place
Year 8 Boys	Harrison Barker – 40 pts	Maceo Lellouche – 30 pts	Luka Dakovic – 24 pts
Year 8 Girls	Talia Smith – 50 pts	Alex Ploenges – 28 pts	Bellkiss L'Dannoui – 22 pts
Year 9 Boys	Noah Warde – 54 pts	Tasi Asbanu – 36 pts	Gerard - 32 pts
Year 9 Girls	Tilly Midwinter – 48 pts	Scarlett Williams – 38 pts	Lilli Mae Mavrogiannis – 32 pts
Year 10 Boys	Asher Gillings – 48 pts	Mitchell O'Hara – 28 pts	Riley Lethbridge – 28 pts
Year 10 Girls	Eve Mackenzie – 38 pts	Hayley Stevens – 36 pts	Annabel Nettleton – 32 pts
Year 11 Boys	Jye Sinderberry – 48 pts	Cooper Williams – 28 pts	Ben Cooper – 26 pts
Year 11 Girls	Persia Tuckey – 48 pts	Kelsey McBrearty – 24 pts	Annie Size – 20 points
Year 12 Boys	Josh Rogers – 84 pts	Josh Pullman – 50 pts	Jacob Earl – 26 pts
Year 12 Girls	Shannon Cain – 64 pts	Zoe Andrews – 58 pts	Emma Norsell – 40 pts

Thank you to all students who participated on the day. A special congratulations to the Sports Captains who were integral in promoting the event, officiating at the pre-Sports day events and organising their relay teams. Thanks also to all staff for their hard work on the day.

## Musical 2018 - The Addams Family

We have had a brilliant start to our musical production of 'The Addams Family' with everyone showing their enthusiasm and support. After the musical was announced, we had plenty of people buzzing with excitement to sign up. Now we have a cast and crew of over 100 people ready to make our production a success. Our first rehearsal was a fantastic time for team bonding and we also started the dance troupe auditions and it was great to see all the amazing talent and variety within our cast.

At our second rehearsal we got off to a good start on the opening song "When You're an Addams" and hearing everyone singing together for the first time was a thrill. At our third rehearsal we announced our leads as;

Roy Pugliese as Gomez Addams

Lilli Dempster as Morticia Addams (with Annastasia Difebo as the understudy), Bryn Norris as Uncle Fester

Ruby Zoontjens as Wednesday Addams (with Tilly Joachin as the understudy), Maggie Dimas as Grandma Addams

Jordi Hall as Pugsley Addams (with Alise Kanaan as the understudy)

Elias Jansons as Lurch (with Alex Butterfield as the understudy)

Jonathan Antonis as Mal Beineke

Samantha Green as Alice Beineke (with Maeve Allen-Horvat as the understudy) and Jaxson Russell as Lucas Beineke.

We hope that you can all come along to see one of our performance that will be at the George Cresswell Hall from 9 -11 August 2018.

**Ishana Somers - Assistant Director**

## Year 8 Camp

The Year 8 Camp was held at Aldinga from 13 -16 March. Students had the opportunity to participate in many great activities including surfing and team building exercises. The following are some of the students reflections on their camp experiences:

Taylor - "It was great. I enjoyed all the fun activities and the surfing."

Xander - " Very good team building exercises and I made lots of new friends"

Trinidad - " I really liked the surfing and the food. I had an amazing time and I also really liked the dorms because I got to make new friends"

Elle - "Surfing and team building exercises were the most enjoyable part of camp. The team building exercises helped you meet new people which was a really good experience"

# UNLEY HIGH SCHOOL

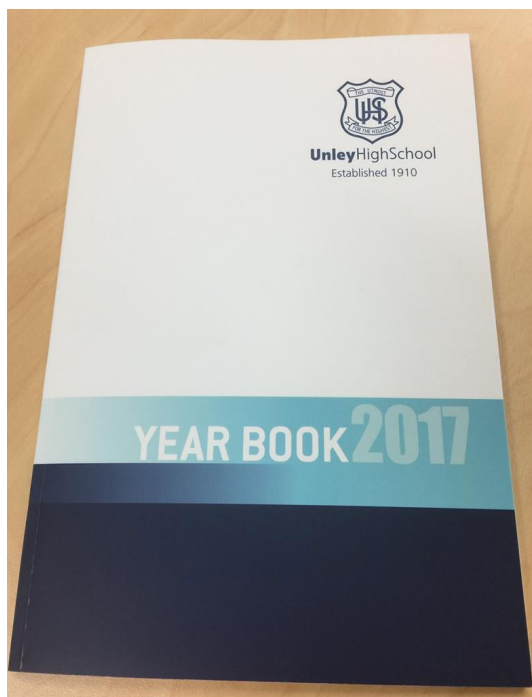

## STEM Works update

The STEM works keep on progressing towards a finishing date later in the year. Recently the new front windows have been installed including a spectacular Unley High School logo facing out onto Kitchener Street. The new verandah is also taking shape.

## 2017 Year Book

The Unley High School 2017 Year book is now available for sale through Student Services. The publication is a fabulous keepsake of your students school year. Available now for only \$15.00.

## Nationally Consistent Collection of Data on School Students with Disability (NCCD)

All schools are required to collect information about the numbers of students that they provide adjustments to under the Disability Discrimination Act (1992) and Disability Standards of Education (2005). From 2018, this data will be used as the basis for national funding.

**Nationally Consistent  
Collection of Data**  
School Students with Disability

The NCCD involves the collection of;

- the number of students receiving adjustments to enable them to participate in education on the same basis as other students
- the level of adjustment provided to students
- student's type of disability if known

Under the model the definition of disability is broad and includes learning difficulties, health and mental health conditions. If your child is identified for inclusion in the Collection, the required information will be included in this year's data collection.

If you have any questions about the data collection, please contact Jenny Johns on 8394 5400. Further information can be found at: <http://www.education.gov.au/nationally-consistent-collection-data-school-students-disability>.

## NAPLAN 2018

NAPLAN Testing for all Year 9 students will occur in Week 3, Term 2.

These tests are aligned to the Australian Curriculum: English and Mathematics. Each student will receive a report, as per previous NAPLAN reports, showing their achievement against national standards. NAPLAN individual student reports are expected to be ready for distribution to parents/caregivers during August and September.

Dates for NAPLAN Testing are:

- |                     |                                |
|---------------------|--------------------------------|
| • Tuesday 15 May:   | Language Conventions & Writing |
| • Wednesday 16 May: | Reading                        |
| • Thursday 17 May:  | Numeracy                       |

Should you require further information, a parent information brochure is available from the DECD website:

[https://www.decd.sa.gov.au/sites/g/files/net691/f/naplan-paper-parent\\_brochure-2018.pdf](https://www.decd.sa.gov.au/sites/g/files/net691/f/naplan-paper-parent_brochure-2018.pdf)

**NAPLAN** NATIONAL ASSESSMENT PROGRAM  
Literacy and Numeracy

**Material & Services fees were due to be paid by the end of Term One. If you have not made arrangements for payment by instalment, then your fees are now overdue. If you are having difficulty paying fees, please contact the school to speak with Ibi Kanellos, Business Manager**

## Materials and Service Charge 2018

Payment of fees and subject levies or a 'Commitment to Pay' needed to be completed **by the end of Term One.**

The charge of \$695, plus any applicable subject charges, were set by the Governing Council and approved by the Principal on behalf of the Chief Executive DECD. Incorporated within these fees are the essential components required to successfully complete the year at Unley High School. Included in the fee is access to equipment, textbooks, library, information technology, printing and use of consumables and resources for curriculum throughout the year.

Your attention to either payment of the fees, completion of a 'Commitment to Pay' form from the Finance Office or application for School Card would be appreciated. Forms are available from Students Services, and the School Card application can also be downloaded from [www.decd.sa.gov.au](http://www.decd.sa.gov.au).

Methods of payment include payment at the Finance Office between 8.00 am and 3.00 pm each day, payments on-line via website or Direct Debit Deposits by Instalments via bank account or credit card. If fees are not paid in full then parents need to complete a 'Commitment To Pay' form and abide by the arrangements made on that form for payment of fees. If no arrangements are made then outstanding accounts will be forwarded to the Debt Collector by the end of Term 2.

If you wish to discuss any arrangements please contact the school and speak to the Business Manager or Finance Officer on 8394 5400.

**Ibi Kanellos, Business Manager**

## School Card Scheme for 2018

The state government is raising the school card income threshold in 2018 to help families with the increasing cost of living. This means that families with 1 child and a gross income for the 2016-2017 financial year of \$57,870 or less will be eligible. Further information is available at <https://tinyurl.com/y96h45nn>

### New in 2018!

Applicants who apply for School Card assistance via an ED003A – Income Audit application form are now able to apply via an online application form.

Applications for School Card must be made each year at each school your children attend.

### Eligibility income limits for a student attending a government school

No. of Dependant Students	Gross Annual Income	Gross Weekly Income
1	\$58 870	\$1 113
2	\$58 903	\$1 133
3	\$59 936	\$1 153
4	\$60 969	\$1 173
5	\$62 002	\$1 193

## iPad 101 – Parent Workshops Term 2

Do you want to know more about your child's iPad and how to maximise its use?

Keen to learn about parental controls and other safety options on your child's iPad?

Please join us for 3 x 1 hour sessions in Term 2:

- Wednesday 2 May (Week 1)
- Wednesday 16 May (Week 3)
- Wednesday 23 May (Week 4)

Sessions will start at 6pm

Meet in the front foyer at Unley High School.

Please bring either your child's iPad to use or your own.

If interested, please email Jenny Johns:

[jenny.johns@uhs.sa.edu.au](mailto:jenny.johns@uhs.sa.edu.au) to book a place in our iPad 101 program.

## ADELAIDE STEM CAREERS NIGHT

Connect the dots between our innovative degrees and your dream career in Science, Technology, Engineering and Maths!

Our **Adelaide STEM Careers Night** is a great way for students, parents, and teachers to learn about the exciting career opportunities that await STEM graduates, and how studying a degree at the University of Adelaide can prepare you for the jobs of the future.

Hear from staff and industry about current and emerging career opportunities, and from students and graduates about their experiences at the University of Adelaide:

- career, industry, and research opportunities available
- pathway options on how to get into uni - whether you're starting mid-year or early next year
- hands-on experiences, including access to cutting-edge facilities, fieldtrips and overseas study opportunities
- student well-being and academic support
- life as a STEM student at Adelaide

### Event details

**When:** 6pm, Wednesday 9 May (interactive activities from 5pm)

**Where:** The Braggs Lecture Theatre, North Terrace Campus

Light refreshments provided

Hosted by the Faculty of Sciences and the Faculty of Engineering, Computer and Mathematical Sciences

### Register to attend

## Minor time changes to school bus 966 for Term 2 2018

On Monday 30th April 2018 Adelaide Metro will introduce a minor timetable change to school bus 966.

This bus will now depart Marion Centre Interchange (zone E) 2 minutes earlier at 7:48am.

This is to allow for increased traffic congestion along the route and upcoming works as part of the Oaklands Grade Crossing Separation Project.

The connection with route 734 will be maintained. School bus 966 will continue to wait for students transferring from the route 734 service.

For more information visit [www.adelaidemetro.com.au](http://www.adelaidemetro.com.au) or call 1300 311 108.

## Minor time changes to school bus 968 for Term 2 2018

On Monday 30th April 2018 Adelaide Metro will introduce a minor timetable change to school bus 968.

This bus will now depart stop 14E Edward Street 3 minutes earlier at 8:10am.

This is to allow for increased traffic congestion along the route and improve service reliability.

For more information visit [www.adelaidemetro.com.au](http://www.adelaidemetro.com.au) or call 1300 311 108.

## Who'll host a student for our school?

**We've got Japanese students from Kyoto coming for a 14 night study tour : 29 July - 12 August. Can you help?**

**Give one of these kids the chance of a lifetime: a short stay with your family. It could make a world of difference for them and you:**

- explore their language, culture, customs and food;
- make a lasting bond with them and their family;
- join in activities with other host families;
- get a taste of the Homestay program and have other kids come to stay longer.

As part of our ongoing commitment to the environment, all Newsletters are published on our school website. Hard copies are no longer issued to students unless specifically requested. To ensure that you stay informed of our school activities, newsletters and announcements you must register to be notified of new information posted on our website. Visit [www.uhs.sa.edu.au](http://www.uhs.sa.edu.au) click on Announcements and then complete the email subscription request. If you are unable to access our website, please write a brief letter which includes your student's name, Home Group and your signature, then pass to your student's Home Group Teacher. Arrangements will then be made for you to receive a hard copy.
