

# Unley High School Sport - Girls

**NOMINATION FORM ATTACHED – PLEASE RETURN TO STUDENT SERVICES WITH PAYMENT BY FRIDAY 2<sup>nd</sup> FEBRUARY**

*Unley High School is proud to have a rich history of participation and achievement with its sporting program. Many of our coaches are old scholars. School Sport reinforces important values to our students such as discipline, time management, teamwork, communication, commitment, inclusion, effort and perseverance.*

Various team sports are played on a weekly basis, both during the week after school and on Saturday mornings. Students need to nominate to play the sports they are interested in as teams are entered into competitions based on player numbers. Nomination forms are available to students early in each sport season of which there are three - term 1/2, term 2/3 and term 3/4.

The sports on offer are entirely dependant on the various sports associations that Unley High School is affiliated with and the competitions they run. Currently we are associated with Southern Zone Sport, Sport Association for Adelaide Schools (SAAS) and The Catholic School Girls Sports Association (SACSSGSA) and Volleyball SA.

**\*\*Email will be the primary form of communication throughout the sports year\*\***

Rowing is offered year-round and students interested in rowing need to contact JOSHUA WHITWELL (details below).

**Southern Zone Sport** is played MID WEEK after school from 3.30pm – 4.30pm. These sports are open to any level of player with a focus on participation and fun. Unley High School provides hired transport to take teams to and from away venues. For away games players are given permission to leave their final lesson at 2.50pm in order to get changed and be out the front of the school to leave at 3pm. Teams will be returned back to Unley High School by 5pm where they are dismissed. Home game dismissal time is 4.30pm. This competition offers the following sports:
