

Dear parent/caregiver,

We are extending the closure of Unley High School for an additional 24 hours.

We plan to reopen on **Friday 20 March**. We have taken this decision to ensure we have everything in place. We will let you know tomorrow the arrangements for the school day on Friday.

The school has been thoroughly cleaned and everyone who needs to self-isolate has been contacted.

We apologise for this delay.

We are dealing with an unprecedented situation, which requires us to adapt and work together, and we appreciate your understanding.

I will be in touch with you tomorrow with more information.

Regards Greg

**Greg Rolton**
