

# Unley High School Closure Update

17/03/2020

Unley High School closure update

Dear parent/caregiver,

Thank you for your support over the past 24 hours. We have contacted the families of children identified by SA Health for self-isolation. We have left messages for a couple of working parents and will follow up with them this evening. These students will stay at home for 14 days.

If you have not been called today then your child is not within the group of students that needs to self-isolate. Unless you hear otherwise they can return to school when we reopen.

The Department for Education has instructed us to remain closed for an additional day to ensure all necessary measures are taken.

We will reopen on Thursday 19 March.

Our school is being thoroughly cleaned by specialist professionals using approved products for treating COVID-19.

I can reassure you that the safety and health of your child is my primary concern and we will continue to act on the advice of SA Health and the Department for Education.

Regards

Greg Rolton

Principal
