

20 July 2021

COVID-19 Lockdown 20 July 2021

Dear parent/caregiver,

Today the Premier announced a 7-day statewide lockdown starting at 6.00pm tonight (Tuesday 20 July through till Tuesday 27 July).

Only the children of essential workers and vulnerable children will be able to attend school. A skeleton staff will provide supervision but not a learning program for tomorrow Wednesday 21 July. This day will be used by teachers to prepare their online learning programs for Thursday through to Tuesday. If your child needs to attend school, we will be here for them.

All students have been asked to take home their electronic devices, books and anything else they need to continue their learning from home.

The Unley HS Online Learning Program:

- The school timetable will be maintained for online learning from Thursday till Tuesday.
- Teachers will notify students of their learning programs which may include a range of platforms such as Daymap, Google Classroom, Zoom, Stile or Mathspace. Please ask your student/s to check their school emails and Google Classroom for details and directions.
- Teachers will be available to support students during their normal timetabled lesson times.
- Teachers will be keeping class rolls to ensure students are working online.

Could parents who are essential workers please let me know today the names of students who will be attending school during the lockdown. These students are asked to meet in the STEM foyer at 8:45am each day and to bring their electronic device and headphone. Students will work online the same as students who are in lockdown at home. They will also need to bring their lunch as no canteen services will be available. Please email ibi.kanellos@uhs.sa.edu.au

All South Australians are making sacrifices to ensure our community remains as safe as possible. We appreciate that this is a significant undertaking for you and your family. Your child's teacher, our support staff and I are here to support you where we can.

Regards Greg

Greg Rolton
