

# Tools for Learning

## Year 7 – 2024

The following document provides families with information regarding the tools for learning that students in Year 7 will need to have for each subject in 2024.

**UnleyHighSchool**

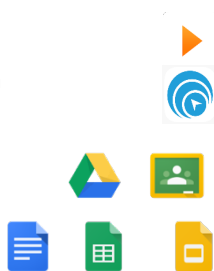

### General Tools for Learning

- Pencil case containing the following items: pens (red, blue and black), lead pencils, coloured pencils, scissors, highlighter, eraser, 30 cm ruler, glue stick,
- 1 padlock for allocated locker (with a spare key if possible)
- Water bottle
- iPad (fully charged) with relevant apps (detailed below)
- 2 x Display Folders
- Earphones (wired)
- Optional: keyboard for iPad.

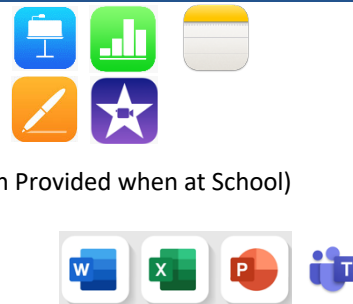

### General Apps for Learning (pre-loaded onto your iPad)

- Clickview
- Daymap
- Google Classroom
- Google Drive
- Google Docs
- Google Sheets
- Google Slides

- Apple Keynote
- Apple Numbers
- Apple Notes
- Apple Pages
- Apple iMovie
- Microsoft (Subscription Provided when at School)
  - Word
  - PowerPoint
  - Excel
  - Teams

*\*If your student is retaining their iPad from primary school or is receiving it from a sibling, please make sure the iPad has been factory reset and set up from scratch specifically to allow Unley High School to apply individual student settings such as email and web access.*

Please make sure your student has their own Apple ID and has the ability to download free apps and use email at school.
