

Application & Selection Process

Year 7 2024

There are two rounds of the application process for the Year 7 HPE Rowing Class. Each process is undertaken by Unley High School Rowing Staff and overseen by School Leadership. Below is a summary of each round of selection. Please refer to the School website for application process and timeline information specific to the next enrolment period.

Round 1

Prospective in and out of zone Students who wish to engage in Rowing at Unley High School can utilise the Schools' Special Interest Rowing Program Process to gain a place in the HPE Rowing Class and guaranteed enrolment into the School. This process begins in March and concludes in May each year in line with the Department for Education Starting Secondary School Process.

A maximum of 10 places in the Class are available through this pathway for out of zone students, with the remaining places to be filled with in zone students - the class has a maximum class size of 23. Unley High School reserves the right to reduce the number of places if required.

Letter of offers will be provided to all students who are successful through this process. If there are places in the class remaining after Round 1, unsuccessful in zone applicants are placed on a waitlist and can re-apply in Round 2.

Round 2

Round 2 is open to all students allocated to Unley High School and is undertaken following the Year 6 to 7 Transition Day late in Term 4.

All students who wish to apply for any vacancies in the HPE Rowing Class, including those on the waiting list from Round 1, are required to meet the previously outlined selection criteria to be considered for the 2024 Year 7 HPE Rowing Class.
