

# Tools for Learning (Stationery List) - Year 7

The following provides information regarding the tools for learning students will need to have.

## General Tools for Learning

- Pencil case containing the following items: pens (red, blue and black), lead pencils, coloured pencils, scissors, highlighter, eraser, 30cm ruler, glue stick, sharpener
- 1 padlock for allocated locker (combination is recommended)
- Water bottle
- iPad (fully charged) with relevant apps detailed below
- Wired headphones (no earbuds)
- Optional, but recommended: keyboard for iPad

## General Apps for Learning (pre-loaded onto your iPad)

- Clickview
- Google Classroom
- Google Calendar
- Google Drive
- Google Docs
- Google Sheets
- Google Slides
- Microsoft (subscription provided when at school)

***\*If your student is retaining their iPad from primary school or is receiving it from a sibling, please make sure the iPad has been factory reset and set up from scratch specifically to allow Unley High School to apply individual student settings such as email and web access. Please make sure your student has their own Apple ID and is able to download free apps at school.***
