## FROM THE PRINCIPAL

Welcome to the Term 4 newsletter.
As always, the start of the term has been a busy time with a variety of local walking excursions, excursions, outdoor education camps, sport, rowing and our Senior Music Soiree in week 1.

Our Year 10 students have also undertaken a week of work experience where we are sure they all learnt some valuable skills and knowledge about the workplace.

Term 4 is also the time that we farewell our graduating class of 2026.
Our Year 12 students have been busy finishing last minute assessments and/or undertaking their exams over the past few weeks and this week sees us farewell them at their graduation ceremony on Friday 13th of November.

The following week we will continue to celebrate the excellence of Unley High School students with our Year 7 to 11 awards ceremony on Friday 20th November.

# Sport Acheivement

Ava and her team made it all the way to the final of the Australian Volleyball Championships and came away with a silver medal! 🥈
We're incredibly proud of them and all the hard work they've put in throughout the season.

Along with her team's silver medal, Ava was also honoured with the Players' Player Award at the championship presentation ceremony.

Congratulations to Ava and  the Volleyball team.

# Stage 1 Outdoor Education Class' Loch Luna kayak camp

After spending two practise days at West Lakes Aquatics Centre, the Stage 1 Outdoor Education class undertook their 3-day kayak camp at Loch Luna, near Barmera. Students enjoyed the lovely warm weather and calm conditions, as they explored the back waters and main river between Lake Bonney and Lock 3.

Students investigated environmental issues and were grateful to receive a visit from RMMAC Rangers to discuss aboriginal perspectives of the river environment. They were also able to develop their leadership, collaboration and technical skills over the 3 days. Students witnessed various wildlife, successfully fished for Carp and experienced how weirs and locks work along the river.

Thank you to Kym and Karen at Canoe Adventures, plus assistant instructors Kaz and Deegan for their help in making the experience such a memorable one for our students. Thanks also to our students for representing Unley High School with such a high level of organisation, respect and positivity!

# Stage 1 Outdoor Education Class' Loch Luna kayak camp

# Year 9 Law

Visit from Louise Miller-Frost MP- member for Boothby

On Thursday week 10 (Term 3), Louise Miller-Frost came to Unley High School to speak to Ms Maitland's year 9 Law and Personal Finance class. She is a sitting member of Federal Parliament and must travel to Canberra when parliament is scheduled. Her position holds significance because she is the Labour member for Boothby and therefore votes on Federal bills on behalf of the constituents in the area where Unley High School is situated.

The 3 levels of government are local, state and federal. We had been learning about this in class and made a poster using newspaper article clippings to represent issues from each level of government. We also looked up the Constitution to get details about specific powers of the Federal Government from section 51. Local government is responsible for waste collection and local parks and library among other things. State government is responsible for the individual state you live in and they make laws about things not assigned to Federal Government in s51 of the Constitution. These include primary and secondary education, policing and emergency services. Federal government is responsible for issues affecting the entire country such as defence, immigration and trade.

There are 150 members in the House of Representatives. Louise Miller- Frost is currently one of them. There are also 76 Senators elected to the upper house.

By Harry Stewart Year 9 Law and Personal Finance student

# Year 11 Creative Food

This term, our Semester 2 Year 11 Creative Food students enjoyed an industry immersion excursion to Regency TAFE, where they toured the facilities and explored the diverse career pathways available within the hospitality industry.

Students gained insight into a range of front-of-house and back-of-house operations, including commercial cookery, baking, butchery, bar service, café skills and general hospitality. The visit provided a valuable opportunity to see these industry pathways in action and supported students with their investigation into future study and career opportunities in hospitality.

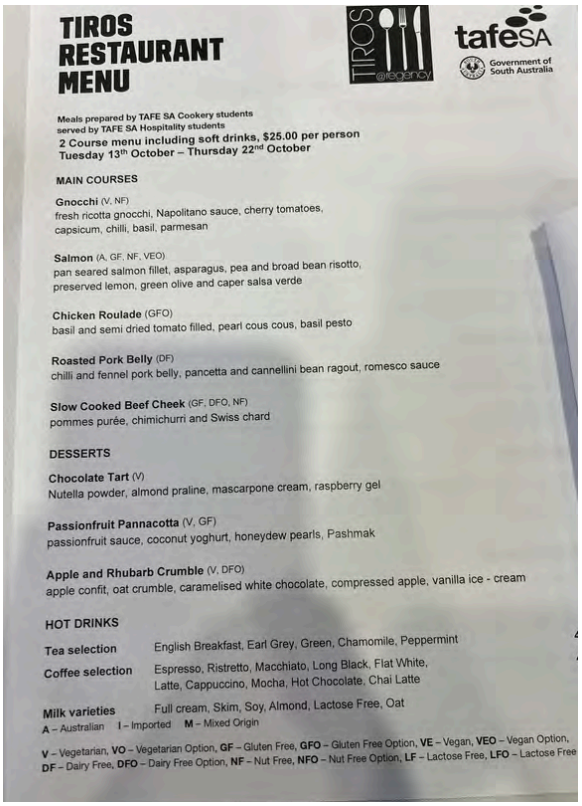

Of course, no hospitality excursion would be complete without a little inspiration for the kitchen! Students enjoyed a delicious three-course meal at Tiros Restaurant, giving them plenty of ideas to draw upon as they prepared for their final practical assessment: designing, preparing and serving a two-course meal to invited staff guests.

Returning to school inspired and full of new ideas, students worked collaboratively to develop their menus and put their culinary creativity, food preparation techniques and hospitality skills into practice.

This experience was a fantastic way to connect classroom learning with real-world industry opportunities, while helping students build confidence in both front-of-house and back-of-house skills. Overall, it was an informative, inspiring and very filling excursion!

# Year 11 Creative Food visit to Regency TAFE.

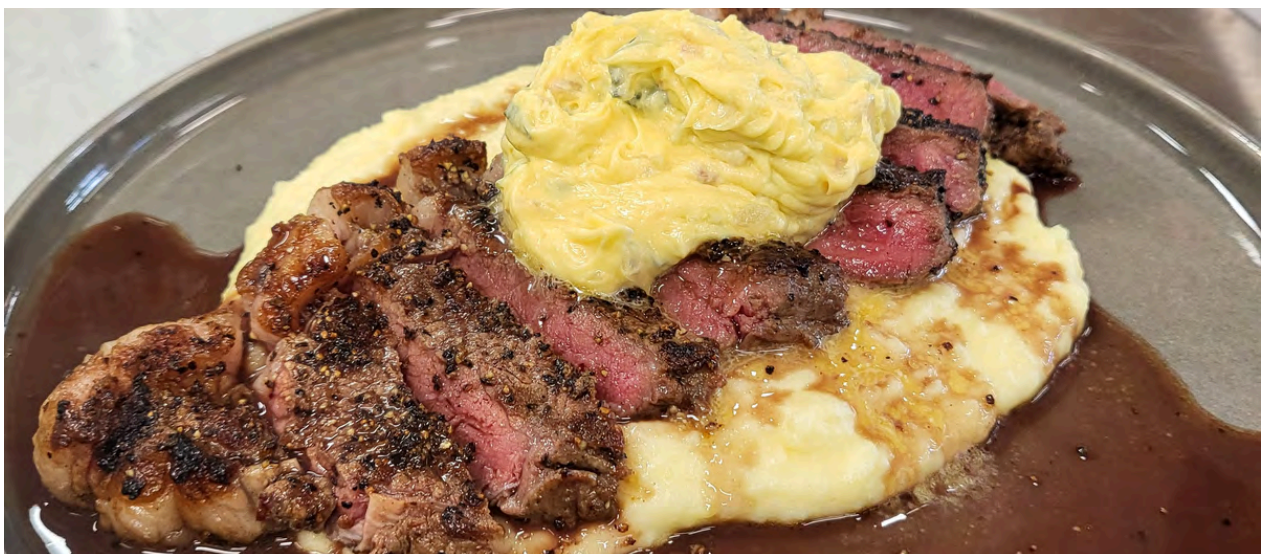

# Certificate II in Cookery

It has been another fantastic semester in the Certificate II Cookery program. We welcomed a group of interested students to an immersion session run by Adelaide Institute of Hospitality, giving them the opportunity to experience what Certificate II Cookery will look like next year. Students got hands on in the kitchen, preparing a delicious Thai chicken salad with homemade nam jim dressing.

Back in our Wednesday cookery classes, students have continued to challenge themselves with a range of dishes and techniques. One of the class favourites was preparing sirloin steak with red wine jus, hollandaise sauce and pomme purée. Other dishes included laksa, éclairs, chicken Caesar salad and panzanella salad. Another standout practical was artisan bread making, with students enjoying the process of creating bread from scratch and developing their baking skills.

# Certificate II in Cookery

# Certificate II in Cookery

# World Skills Cookery

A major highlight this semester in VET was the WorldSkills Regional Cooking Competition, where Isla Oliver and Olivia Dean represented Unley High School after progressing through the heats last term. Competing against students from other schools, they again prepared a chicken poke bowl and éclairs.

We are incredibly proud to announce that Olivia achieved Gold and Isla received a Bronze medal. An outstanding achievement for both students! The national competition will be held at the Royal Adelaide Showgrounds next year, and we are hopeful they will achieve enough points to receive an invitation to compete at the next level.

Congratulations, Olivia and Isla!

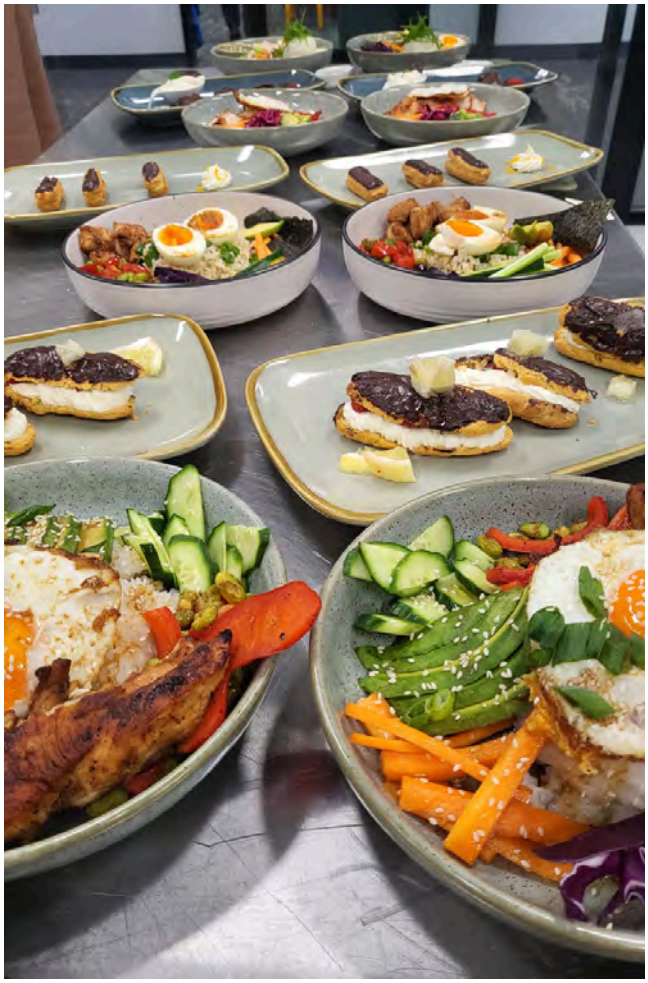

# World Skills Cookery

# Barista

Our Barista & Café Skills students have been involved in a number of exciting events this semester, putting their coffee making and hospitality skills to the test.

A highlight was the Music Soiree, where students opened the café to more than 100 guests, serving coffees and toasted sandwiches throughout the evening. The Soiree was an amazing success, with a wonderful atmosphere extending from the adjacent PAC into the alfresco area outside the café. Congratulations to all the talented performers who made the evening so special.

Students have also been busy completing their sandwich making practical assessment, opening the café and selling a range of freshly prepared sandwiches to staff. Menu favourites included roast pork Cuban sandwiches, club sandwiches, and lamb kofta on Pita. This provided a great opportunity for students to demonstrate their customer service skills.

Alongside these events, students have continued to run the school café, preparing and serving coffees to teachers and building confidence in managing a busy service.

# Year 12 Furniture Display

Year 12 Furniture students started the year with the challenge to design an item of Furniture either indoor or outdoor. Initially, this seemed to be quite an overwhelming task. Every year there are ups and downs, challenges and distractions. Much learning is acquired as projects are developed and designs take place. Some designs needed adjustments and modifications. As the students look back they can now see that initial idea completed.

The year was about pulling together many of the skills and techniques that have been taught in the preceding years. It is also about giving freedom in design and challenging them to investigate and implement new techniques and skills they may have seen.

The Design process is important when presented with such a challenge. Where do our ideas start? Has someone already done something similar? Can I use this and modify it to suit my scenario? Do I have the skills and time? How do I communicate my ideas? These questions and others end up driving the possibility for solutions as does a good conversation with family and extended family.

The 2026 class has had a successful year where they completed research, then designed and manufactured a range of furniture items to suit their needs. Well done to all.

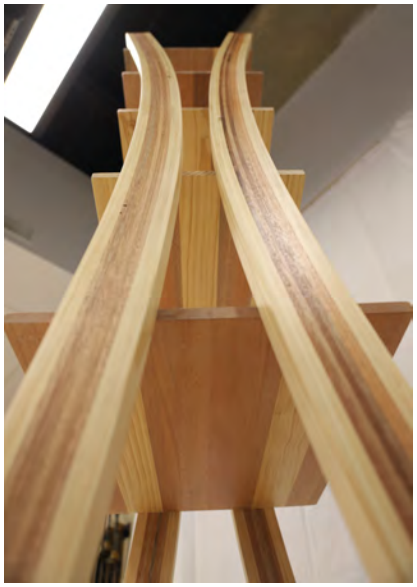

# Year 12 Furniture Display

# Middle School Drama Club Presents: Murder Malodorous!

On Monday 21 September, the Middle School Drama Club proudly presented Murder Malodorous, an entertaining murder mystery filled with comedy, melodrama, intrigue and plenty of suspicious characters! Performing in front of an enthusiastic audience of parents and families, the students showcased their confidence, creativity and developing performance skills, bringing their characters to life with energy and impressive showmanship.

The audience was delighted by the students' performances, as well as the creative set and costumes that helped bring the mysterious world of the play to life. The cast embraced the comedy and melodrama of the production, demonstrating strong characterisation, comic timing and a willingness to fully commit to the theatrical style.

One of the greatest strengths of the production was the ensemble. The students worked as a strong and united team, supporting one another and bouncing off each other throughout the performance. Their connection and camaraderie on stage were evident and contributed greatly to the success of the show. Congratulations to the entire Middle School Drama Club on a fantastic and memorable production of Murder Malodorous!

# Year 9 Drama – Rocky Melon Rides West 🎭

Yeehaw! Our Year 9 Drama students brought plenty of fun, laughter and theatrical flair to the stage in Week 4 with their melodrama, Rocky Melon Rides West!
Performing to an audience of 90 Year 3 and 4 students from Mitcham Primary School, our talented Year 9s entertained their younger guests with larger-than-life characters, dramatic twists and turns, and all the excitement of a classic melodrama
.
It was a wonderful opportunity for our Drama students to showcase their performance skills, share their creativity and bring some theatrical magic to our visiting students. A big congratulations to our Year 9 performers for putting on such an entertaining show, and a huge thank you to Mitcham Primary School for joining us!

Kimberly Mullan
Drama Teacher

# Year 9 Drama – Rocky Melon Rides West 🎭

# China Delegate Tour

We are proud to share that our Principal, Mr Rolton, has been selected to take part in a delegate tour of China, where he will represent Unley High School and promote our school to prospective students and their families.

As part of the tour, he will also connect with other school principals and education partners, helping to strengthen international relationships and showcase the many opportunities available at Unley High School; including our international programs and Chinese language learning.

This important visit comes at an exciting time for our school as we continue to grow our international community. Welcoming students from around the world not only enriches our school through the sharing of cultures, perspectives and experiences, but also creates meaningful connections for our local community.

To support this growth, we are seeking new homestay families for students in Years 9–12 from a range of countries including China, France, Italy, Brazil, Paraguay, Vietnam and Japan. Homestay opportunities can range from one term to one year for short-stay students, and from two to four years for students in our graduate program.

All family types are welcome to apply. Homestay families receive ongoing support from International Education Services, our school team, a significant weekly allowance, and opportunities to be involved in social and educational events.

If you are interested in welcoming an international student into your home, please contact our International Coordinator, Miriam Oppert, at Miriam.oppert154@schools.sa.edu.au or visit www.internationalstudents.sa.edu.au/homestays

You can also register your interest here:
https://www.internationalstudents.sa.edu.au/en/for-homestays/host-a-student/apply-now/homestay-registration-form/

# Senior Exhibition

The 2026 Senior Exhibition, held on Thursday 29 October on the top floor of the three-storey building, was a wonderful celebration of the creativity, talent and achievement of the Class of 2026. Students, families, friends and members of the wider community came together to enjoy an impressive showcase of work across art, design, fashion, furniture, photography and music. Principal Greg Rolton officially opened the exhibition alongside guest artist Mia Behrens, who shared an inspiring reflection on the power of creativity and the courage it takes to put creative work into the world. Pheobe Stephenson and Clara Mundy also offered a valuable student perspective, speaking about their experience of studying art and design in Year 12. Thank you to everyone who contributed to the success of this event, and to all who attended to support and celebrate our students.

Sophie AItken

Throughout this year we became more and more consumed by school work, whether it was studying for tests or finishing long externals. With studying taking a hold of most of our free time, art became a space where we could relax, draw and talk with friends between these intense classes.
My favourite part about this year was the excursions!
Our first trip to the SACE Art Show and SAMSTAG Gallery feels so long ago now, but seeing last year's top folios and some contemporary local art gave us our first glimpse into year 12 art and gave us inspiration for our visual studies.
Our last excursion was to Monet to Matisse which let us admire a range of impressionist works, while the The Royal South Australian Society of Arts exhibition showcased local artist works, along with Mr Zunic's own artwork up on the walls.
On top of that, Billie Justice Thomson came in for an incursion to share what being a full-time artist is really like and got the whole class drawing portraits of each other.
To finish, I want to say a huge thank you to Ms Aitkens for helping us get all our final works ready for this exhibition, and to Mr Zunic for all his support across the years. We couldn't have made it to this point without you both.
I hope you enjoyed the exhibition!
Thank you!

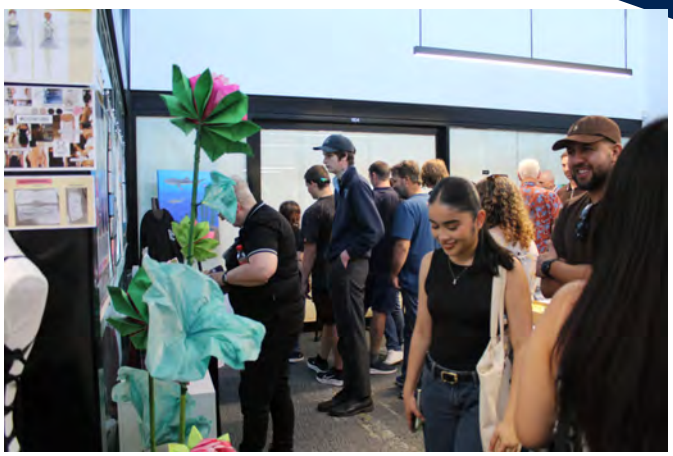

Phoebe Stephenson

For me, I find so much of design is about constantly improving your ideas and creating new solutions to a problem, which we could not have done without the invaluable support of our teachers Ms. Foster and Mr. Zunic. They have dedicated so much time and energy to our class and their feedback has been instrumental to our individual design processes. I can imagine giving feedback to students who were exploring wildly different design fields must not have been an easy task. But that's what I have loved the most about being a part of design – the sheer variety of projects we dedicate ourselves to. It makes for such an inspiring classroom environment. Looking towards the future, I know some of us will pursue further education in an art or design field, however I think that wherever we end up, the skills of problem solving and creative thinking that we have developed during our time as visual arts students will serve us well throughout our lives. Thank you so much for coming and I hope everyone is so proud of their amazing work.

Clara Mundy

# Senior Exhibition

# 2026 Senior Music Soiree and Student Markets

The Senior Music Soirée was an eventful night with lots of beautiful music and a welcoming atmosphere. Parents, friends, and teachers came to watch students from all year levels perform. The school ensembles as well as year 12 solos performed for their final assessments. This was the last time playing with the year 12s and it made this night special to all of us. There were performances from the Vocal Ensemble, Orchestra, Jazz Combo, Stage Band, Concert Band 1 and Rock Band 1.

Outside there were stands selling baked goods, and stickers while the barista students made coffee led by Mrs Lock's Cafe and Barrister Skills students. Overall, the Senior Music Soirée was a magical and memorable night, and we will miss all the year 12s next year.

# International Student Program

It's been a busy start to term 4 for the International program. We welcomed 7 new International students to our family from Germany, Vietnam and China and they are settling in well with lots of warmth and support from our existing students and the staff and have quickly made strong friendships. It's a fast-paced term filled with exciting new beginnings for some, but also some bitter-sweet farewells for our year 12s and short stay program students who finish their time with us soon and look to new adventures, returning home or beginning new future pathways. We wish them all great success wherever they go and hope they'll carry many fantastic memories with them of their time here at Unley High School.

There are many excursions occurring this term which began in week 1 with a surfing and paddleboarding aquatics session at Port Noarlunga beach. Whilst some students had tried these activities before, for others even the beach was an entirely new adventure, but one they braved and really enjoyed.
We explored the Aboriginal plant use trail in the Adelaide Botanic Gardens, an insightful Aboriginal cultural experience run by Trent Hill. The students particularly enjoyed when Trent lit a small fire in the garden.

As many of the International students aren't involved in the year 10 work experience program it was a good opportunity to further our new student's orientation of Adelaide, and we had a busy week of activities planned, including 2 excursions to the city. The first we visited the galleries MOD, Samstag and the Jam Factory in the west end of the city, followed by lunch at the Central Market. The second we visited Adelaide Oval and Adelaide Gaol, with lunch at the Mugshot Canteen. We also explored the local gardens around Waite house and planted an array of plants in the courtyard behind the International Centre area at school to help green it up in the hopes of making it a more pleasant area to spend time in. There were some cooking and craft activities to help decorate the International Centre for Halloween, and our International Student Action Team organised some fun Halloween activities for the weekly Wednesday morning tea meeting.

As we near the end of the term we are looking forward to celebrating the end of the year with a barbecue in Belair National Park for all 81 of our International Students in week 6 when we will farewell 8 of our year 12 graduate students and also the students who've come to the end of their Study Abroad Program in Australia. They will head home with mixed feelings about leaving behind the strong friendships they've made, but will take with them plenty of wonderful memories and hopefully some great stories to share with their friends and families.

# SVC Newsletter

Keep up with the latest from the UHS Student Voice Council!

**Term 4/ 2026**

- **In this issue:**

**Upcoming**

- Annual Movember Sausage sizzle
- White Ribbon day
- Multicultural week

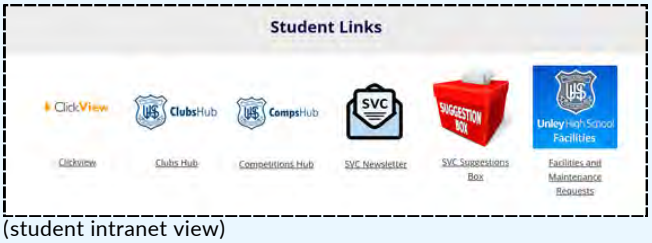

**Past events**

- World teachers day

A succesful first term from our 2027 Prefect team. It is safe to say that Unley High School is in great hands for the year to come!

## 1st Term 4 SVC Newsletter 2027

Ari Llewelyn

(student intranet view)

- Welcome to the seventh edition of SVC Newsletter for 2026!
- This newsletter exists to inform students, parents, staff, and other community members of the ongoing projects and achievements of the SVC.
- The newsletter will be written by the SVC Prefect Team twice a term.
- We thank you for taking the time to read this newsletter and would love to hear any suggestions or feedback!
- Students can now also access the SVC Newsletter through the Student Intranet at the following link:
- https://sites.google.com/schools.sa.edu.au/uhssvc/student-links/svc-newsletter

**Or use this link : https://forms.gle/XgJaNd1kysSYpQPe9**

## Movember

*Written by Grace Parker*

On Friday the 27th of November (Term 4, Week 7), the Wellbeing SVC team are hosting Unley High's annual sausage sizzle to raise awareness for Movember which will Be held at the Barbeque area located near the PAC.

What is Movember you may ask?

Movember is a day in which we Celebrate and Raise Awareness for Men's Health and Mental Health.
The aim of this fundraiser is to inform students around the effects of Men's Health issues and how much it can affect one's wellbeing.

It is important that Unley as a School helps further bring awareness to Movember.

Come along and enjoy a sausage sizzle for $2.50 and your choice of soft drink for only $3! or a combo for $5!

Unley High School

## White Ribbon day

*Written by Ari Llewelyn, Grace Parker and Milla Eberhard*

After many year 11's including much of the 2027 prefect team attended the Global Institute for Womens Leadership conference (*make sure you read the wonderful editorial for it in the main newsletter written by year 11 student Graham Macgillivray*) the wellbeing team decided that there was a major problem among the community that many members were not aware of. White Ribbon day seeks to raise awareness for Violence against women. In Australia:

- 2 in 5 women (39%) have experienced physical or sexual violence since the age of 15.
- 1 in 5 women (22%) have experienced sexual violence (sexual assault or threat)
- In 2023–24, 6,751 women aged 15 and over (an average of 18 women per day) were hospitalised due to family and domestic violence.
- The Australian Institute of Health and Welfare published statistics outlining that one woman is killed every 11 days by an intimate partner on average.

The White Ribbon symbolises men giving up their arms, a commitment to never commit, excuse, or remain silent about violence against women. It stands for a vision of a violence-free world and reflects the dedication to making that vision a reality. While this event is a pivitol reminder of how much violence permeates through our community, it is important to remember that gendered violence is not a point of division but an oppurtunity for society to come together, man and woman alike to oppose this harmful ideology that violence of any kind is acceptable.

## White Ribbon day cont.

*Written by Ari Llewelyn, Grace Parker and Milla Eberhard*

At Unley High School, every value opposes the idea that violence is acceptable in our community and as students, we know that the school values will continue to guide us throughout our lives in the fight for equality and peace.

For White Ribbon Day 2026, the SVC Wellbeing team is running an event where white ribbons will be available to all students to write on and wear around school as a pledge to stand against violence of all kinds, but in particular, violence against women who are unfortunately the most likely to experience this violence. This event will run on the 25th of November at lunchtime.

## Multicultural Week

Written by *Tildy Ruchs, Head Prefect 2027*

During Week 6 of Term 4, between the 16th to the 20th of November, the SVC are planning to hold their annual multicultural week celebrations. This week focuses on showcasing the diverse cultural and lignuistic differences which Unley High School proudly hosts.

This year, the celebration will feature a performance from the Sun of Africa group, who will deliver an African Drumming Workshop. A cultural quiz will also be shared with PSI classes, cultural games will be available to use and the international students are going to showcase their cultures in an opportunity for students to ask questions and learn about culture firsthand.

Following previous success, a multicultural food fair will also be held on Tuesday the 17th during an extended lunch. Student, staff and businesses donations have been gratefully received, providing students with the opportunity to try foods from a range of cultures. Students interested in purchasing food will be able to do this both on the day and through the QKR App.

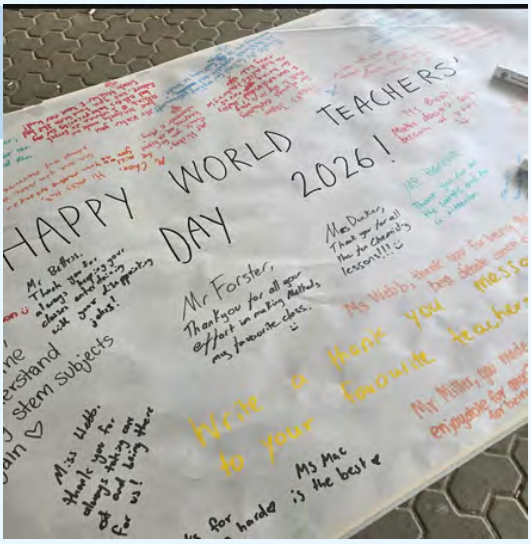

Unley High School

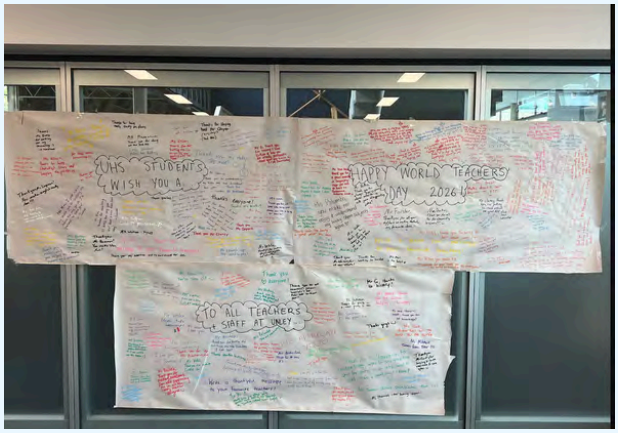

## 2026 World Teachers Day

Written by *Inara Ahmed-Ealing, Prefect 2027*

On Friday the 30th of October, Unley High-School celebrated World Teachers Day! World Teachers Day is an international celebration held every year to honor and show appreciation to teachers and recognize their significant role in shaping students and society. This year's theme was 'Shine a Light on Teachers' and to celebrate that, the SVC Team set up sheets of butcher paper under the Cola to encourage people to come along and write messages of appreciation to their teachers.

The posters were then displayed in the staffroom for all the teachers to read. The event was a big success, and many students came along and wrote thoughtful, kind messages to their teachers.

## Creating the Community We Want

Written by *Daniil Zolotaryov, Head Prefect 2027*

On Monday 26 October, the Prefect team had the opportunity to join 12 other schools at the 2026 South Australian Youth Summit, hosted by Together for Humanity in collaboration with the Abraham Institute. With the theme being *Creating the Community We Want, the summit encouraged students to share ideas about diversity and inclusion.* Our video, *Inside We're All the Same*, used brown and white eggs as a creative metaphor to challenge racism and promote inclusion.

We were fortunate to hear a video address from **Federal Education Minister Jason Clare and also Nadia Clancy MP and Heidi Girolama MLC** attended the event. Throughout the day, we participated in a range of workshops including a dancing and drumming performance from the Sun of Africa group and the World Café, which were particular highlights.

The World Café gave us the opportunity to ask other schools about their presentations, gaining valuable insights into their school's experience and ideas. We hope to use our new knowledge and incorporate them into our own school community to help make it more inculsive and welcoming.

Together for Humanity

THE ABRAHAM INSTITUTE

Unley High School

## Senior Music Soirée

Written by *Will Pfitzner, Deputy Head Prefect 2027*

On Thursday 15 November, the Senior Music Soirée took place across three performance areas–year 12 soloists in the PAC, ensembles in the drama studio, and other performers in an alfresco setting outside the café. On top of that, student-run market stalls selling drinks, sweet treats, and other merchandise, and the café selling refreshments and drinks contributed to what was a wonderful night that extended beyond the music performances.

But perhaps most importantly, the soirée also served as the final assessment piece for year 12 music students and last performance as Unley High students. 26 acts performed during the soirée, with audiences much larger in what was a very successful display of Unley's musical prowess.

Look forward to next year's soirée!

## Year 9 prefect announcement

Written by *Milla Eberhard*

Recently the student voice council held a vote to change the SVC constitution. With majority of the votes saying yes, we are proud to introduce the new addition of year 9 prefects!

The Unley year 9 prefects are the leaders of our middle school, their job is to help the year 12 prefect team. The year 9 prefects will help with running and promoting events around the school and come to meetings with the year 12 prefects as representatives of the middle school. This is a great opportunity for the middle school members of SVC interested in being part of the prefect team when they enter year 12 as they get to see the behind the scenes and get a taste of the experience.

Congratulations to our 2027 Year 9 prefects, from left to right in the photo: Lilly Gabriel, Siya Ganu, Noah Hardie and Muhammad Butt, on your placement in the year 9 prefect team.

Unley High School

## Action Team Leaders

Written by *Ari Llewelyn*

### *Environment and facilities*

*Tildy Ruch and Bastien Alexander-Backé*

### *Opportunity and engagement*

*Inara Ahmed-Ealing and Jedd Williams*

### *Student Wellbeing*

*Milla Eberhard, Ari Llewelyn and Grace Parker*

### *Events, community connections & promotions*

*Daniil Zolotaryov and Will Pfitzner*

## Term 4/ 2026

The Unley High School Student Voice Council strongly advocates for all students to engage in our community
—Not only through activities that we run, but also by approaching us with any questions or queries. The leaders seen above are responsible for their respective action team areas and if you have any questions or comments that are relevant to the whole SVC or are uncertain about, feel free to use our student intranet SVC suggestions box!

We are dedicated to changing the school community to suit your goals and ideas, so please feel free to talk to us in person if you see us in the yard, or contact us through the suggestion box. Believe it or not, we do read every single comment!

## SVC Prefect Team 2027

Coordinator: Noelia Carvajal,
SVC Manager: Mariearma Ademosu
Head Prefects: Tildy Ruchs and Daniil Zolotaryov
Deputy Head Prefects: Ari Llewelyn and Will Pfitzner
Secretaries: Jedd Williams and Ari Llewelyn
Treasurer: Bastian Alexander-Backe
Prefects: Grace Parker, Milla Eberhard and Inara Ahmed-Ealing
